Portfolio of Fine Interior Design

The Lewis Design Group

Barbara Lewis, principal and owner of The Lewis Design Group, has more than 25 years of interior design experience. With a lifelong passion for design that dates back to her childhood (she is the daughter of a master furniture craftsman) and an education from The New York School of Interior Design, Barbara continues to find inspiration from art, architecture, and

her travels throughout Europe. Her deep understanding and appreciation for fine interiors is reflected in The Lewis Design Group's projects, which maintain the delicate balance between current trends and timeless style.

Barbara has been a collaborator in design show houses, including Greenwich, Rye, Brookville, and Locust Valley. In addition, The Lewis Design Group is acclaimed for tabletop design

and was a featured designer at the Red Cross Red & White Ball in Greenwich this year.

The Lewis Design Group offers a boutique, full-service approach. In close collaboration with the client, Barbara is able to define the style of her client's vision, whether it be classical, transitional, or contemporary.
